

My Baby, My Grief, My Love

A pregnancy loss journal (2024)

Author, Julie Ann Bryant, is passionate about writing down the things that are important, especially in the context of grief and trauma. Pregnancy loss is a traumatic experience.

My Baby, My Grief, My Love is designed to help you tell your own story of love and loss in your own words.

From One Twin Mum To Another

An insight into the complexities of multiple birth bereavement (2022)

In this book, Julie Ann writes about the complex nature of twin loss and explains what sets it apart from other types of pregnancy loss. The needs of the parents are considered as they mentally prepare themselves for the impending live birth and stillbirth of their twins, and beyond.
